Live the life you want while
receiving the **care you need.**

Aged Care

Welcome

The Salvation Army has been providing care in Australia since 1880. The Salvation Army Aged Care's purpose is to promote a unique experience of choice, lifestyle and belonging for all people as they age.

We welcome, support and guide all people and their families to become part of our family where they have freedom and can be themselves.

Holistic care

Everyday tasks can become more difficult as we age. We offer a range of services to support you living independently in your own home and continue to be a part of your community. We will work with you to identify your goals, and then to develop a personalised care plan to help you achieve your goals. This can be adjusted at any time and is focused on enhancing your independence, health and wellbeing.

“It has been wonderful receiving care and assistance. My three children work full time, so it’s hard to call on them when I need an extra hand.”

Catherine, Salvos Home Care Client
