

# SAMUEL'S MEGA BIBLE PUZZLE!

MAKE YOUR WAY THROUGH THE MAZE FROM START TO FINISH.

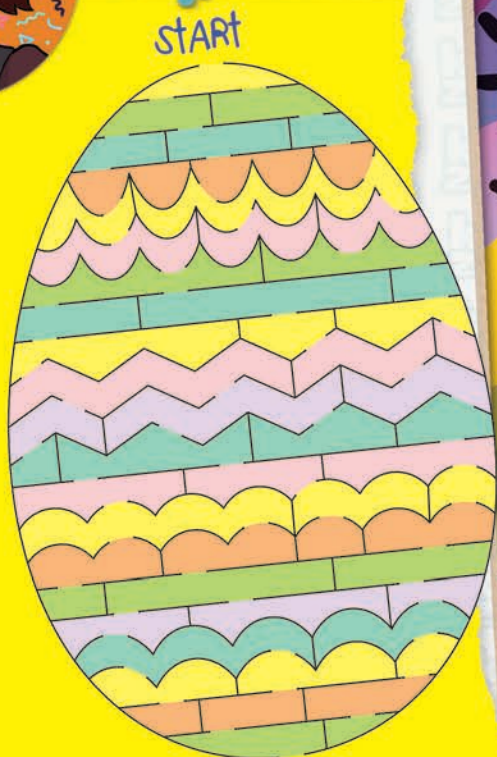

**Chocolate eggs are a huge part of celebrating Easter.** Do you and your family have Easter egg hunts, rushing around the garden or house to find as many eggs as you can?

Chocolate eggs are yummm, but there's a lot more to Easter than eggs and the Easter Bunny.

Jesus is the real reason we celebrate Easter. He died on the cross so that all the wrong things we've done can

be forgiven. Three days later he came back to life so that everyone who believes in him can have a new life, too. That's why we have eggs on Easter Sunday — eggs represent new life. So, when you're enjoying your eggs, remember that we have a new, eternal life if we follow Jesus.

“Anyone who belongs to Christ has become a new person. The old life is gone; a new life has begun” (2 Corinthians chapter 5, verse 17).
