

# Faith Pathways

Explore the journey  
of discipleship

# Connect

**The Christian faith journey is so much better when we are a part of a community of believers. Taking the step to connect with others is an important part of your journey.**

## Worship

Sunday worship is a highlight of the week. We come together to worship God through music and prayer, and learn from the Bible. We also have lots of fun. It's like a family get together every week.

## Volunteering

We have many opportunities to connect through volunteering. Our Family Store (second hand shop) is a great way to meet people and also learn new skills. There is also our weekly Connect Café and Emergency Relief where you can volunteer to help people in need.

## Regular Activities

A variety of activities happen regularly based on common interests. The Gym, Men's Shed and Craft group are all great ways to connect with others and build friendships. We also have social activities like movie nights, games afternoons, meals, Christmas Carols and lots of other fun events.

# Grow

**We have many courses and groups designed to help you grow in your faith and learn more about God's plan for your life.**

## Life Courses

Sometimes we all need extra support with finances, relationships, parenting, recovery, grief or other areas of life. We offer a range of courses including the Positive Lifestyle Program, Pathways, Facilitator Training, C.A.P and others as needed.

## Pathway Courses

These are short courses designed to help you grow closer to God. These courses explore the Christian faith, Bible Basics, The Salvation Army and other topics to help you grow stronger in your faith.

## Home Churches

A great way to build authentic relationships and grow in your faith is by joining a Home Church. These are small groups that meet during the week to build relationships, provide support, pray together and learn more about God.

## Youth / Kids

We have amazing children and youth at Bonnells Bay Salvos and want to see each of them be encouraged in their own faith journey. This happens through weekly Kids Church, regular youth events with other Salvo churches in the area and one on one mentoring and discipling. We believe that no one is too young to be involved and love seeing our young people using their gifts and talents.

## Counselling

We are blessed to be able to offer a counselling service to support you during life's more difficult seasons.

# Serve

God has given each of us unique gifts and skills that we can use to serve Him. Joining one of our teams is a great way to discover and develop your gifts.

## Weekend Service Teams

We couldn't enjoy a great morning of worship each Sunday without an amazing team of people coming. Whether it is welcoming, setting up morning tea, playing in the band or operating the multimedia there are many opportunities to serve.

## Engine Room

So much goes on behind the scenes during the week to make church awesome. Administration, creative teams, building maintenance, gardening and cleaning are just some of the teams you could join.

## Leadership

Leadership at Bonnells Bay Salvos is all about helping others in their faith journey. There are many opportunities for you to grow and develop as a leader including as a Home Church leader, Service team leader or mentoring others.

## Youth / Kids

Join a team of people passionate about investing into the lives of our children and youth. This could be mentoring a teenager or joining the Kids Church team.

## Community Care

One of the great things about being part of a church family is how we care for others. There are many opportunities to support others through pastoral care, visiting or hospitality.

## Ministry Teams

Our regular ministry teams always have opportunities to use your unique gifts. Reach, Connect Café, Street Ministry, and Hotel Ministry are just some of the weekly ministries where you could serve.

## **Faith Pathways – What's your next step?**

At Bonnells Bay Salvos we love coming together each week to worship God and connect with each other, but we also know there is so much more to being a follower of Jesus. Our desire is to see you move forward in your relationship with Jesus and we want to provide you with the support you need along your journey.

Your next step may be to join a Home Church or do a course like the Positive Lifestyle Program. Perhaps it is joining a service team or mentoring a young person.

Whether you have just started a relationship with Jesus or you have been on the journey for a long time, we are here to help you take your next step.
