

THE LIFE OF ABRAHAM

Walk by Faith

Week 6

Growing up, who was the main decision maker in your family?

Is there something you have done in life that you regret?

Read Genesis 16

What stood out to you?

Was there anything that challenged or confused you?

Abram and Sarai take things into their own hands. Have you ever tried to do God's job for Him?

How can we know whether something is okay or not for a Christian? Should, "everyone else does it" be our standard of decision making? Why or why not?

What should you do when the promises of God seem slow in being fulfilled? What should you do when you seem to be stuck at a dead end in life with no apparent prospect of seeing your hopes and dreams realized?

What do these verses show us about God?

Tell about a time in your life when you did wait for God's timing—when God accomplished his will in his timing in your life. What did you learn from that situation?

God reveals, guides and provides if you'll look to him and rest in his protection and provision. He is faithful.
