

# Jesus makes all the difference

**Week 4 - Wonder**

What amazing news have you shared with someone else in your lifetime? How did they respond?

**Read Luke 1:39-55**

What stood out to you?

What challenged or confused you?

If you were Mary, how would you have been prepared to tell Elizabeth of your pregnancy (“There was an angel, and the Holy Spirit, and I’ve never been with a man, and yet here I am . . .”)?

If you were Elizabeth, would you have wanted to talk about Mary’s baby or your own?

What promises do you believe God will fulfil in your life and how does that belief influence your daily walk with God?

How have you used God’s blessings in your life to magnify and bring glory to Him? Where are you tempted to take his blessings and glorify yourself?

God is merciful to those that are helpless, hungry, and humble. How can you be an extension of God’s mercy to the marginalized in your community? In what ways could you cultivate more availability or willingness to be used by God to help others?

What are the things “He has” done in your life that cause your spirit to rejoice and your mouth to proclaim his goodness?

If the Biblical truth “God keeps all his promises” is real in our lives, what would change in your life?
