

# Come To the Table

## Discussion questions - Week 4

What kind of people did you hang around with when you were in school? Was it the smart, sporty, or maybe even the troublemakers?

What do you think people thought about you, because of the people you spent time with?

If Jesus came and stayed in your community, who are the people there that He would visit?

### **Read Luke 5:27-32**

What stands out to you from this passage?

What does this passage say about God and people?

Why do you think the Pharisee's confronted Jesus about Him eating with tax collectors and sinners?

If the tax collectors and sinners were the people that Jesus sat and ate with, who is it that God is prompting for you to sit and eat with?

Who is it that this week you can invite to sit at your table, so that they can meet Jesus through you?

Then the master told his servant, 'Go out to the roads and country lanes and compel them to come in, so that my house will be full.'
