A STUDY THROUGH THE BOOK OF COLOSSIANS

Do you have a favourite piece of clothing? Why is it your favourite?

Do you have clothes in your wardrobe that don't fit you anymore? Why haven't you got rid of them?

Read Colossians 3:1-14

What do you learn about God in this passage?

What is Paul teaching the Colossians church?

What do you think God is teaching you personally through this passage?

What do you think the Holy Spirit may be teaching you to do with what you've learnt from this passage?

If our salvation is not tied to our actions but to our faith, the grace of God and the sacrifice of Jesus on the cross, then why is it still important to put to death all of the things Paul mentions in this passage?

What role does setting our hearts and minds on things above play in our ability to put to death the things of this world in our lives?

What in your life do you need to put to death in order to make room for the things you need to put on, the fruit God wants to grow in you?

Prayer

God thank you for making a way for us to put our sin to death through Jesus sacrifice on the cross. Help us to let die what needs to die so that you can daily raise us up to new life in you. Help us to gladly accept the new spiritual clothing you offer us and the fruit you are cultivating within us as we keep our focus on the things of you. In the name of Jesus Amen
