A STUDY THROUGH THE BOOK OF COLOSSIANS

What is the first thing you do when you start your day?

What is the last thing you do to end your day?

Read Colossians 3:15 – 4:1

What stood out to you in this passage? What did you learn about God?

How do you think the Church in Colossae would have responded to the message Paul was teaching?

What is your response to how Paul is encouraging us to structure our lives?

How do you think placing Christ first would make a difference to your everyday life?

Where do you think you need to make Christ first in your own life?

Consider through your week:

Consider the things you have to do each day this week, maybe its cleaning the toilet, cooking a meal, or even going to work. And before you start, just take 11 seconds to pray and ask God **first**, to help you be mindful of His presence with you while you perform that task.

“Let every detail in your lives—words, actions, whatever—be done in the name of the Master, Jesus, thanking God the Father every step of the way.” Colossians 3:17 (The Message)
