## Week 1 discussion question

### Growing More Like Jesus

As you were growing up did someone measure how tall you had grown each year? Was there a place in your house where the measurements were recorded?

Are you more like Jesus than you were a year ago?

The Christian life is meant to be one of growth and progress.

#### **Read 2 Peter 3:18**

“But grow in the grace and knowledge of our Lord and Savior Jesus Christ.”

How can we know that we are growing in grace - growing more like Jesus and not merely deceiving ourselves with physical activity?

Why does God want us to become more and more like Jesus while we're here on the earth?

What could change in our world as more of us intentionally grow spiritually - more like Jesus each year?

#### **Read Galatians 5:22-25**

What stands out for you in this passage?

What do you like and what bothers you in this passage?

Which of the fruit do you find easy in your life?

Which of the fruit do you find challenging?

Are you willing to let God have His way in changing you from the inside out into the likeness of His Son, Jesus Christ?
