USE ME

What might happen if everyday over the next few weeks we all prayed to God, "Use me." What opportunities would He provide? What conversations might be had? What acts of kindness, gifts of generosity, kinds of service might be performed? Not only what might be done by us, but what might God do in us?

Let's find out!

For the next 45 days, every day, we will pray this simple prayer to God, "Use me." And as we offer ourselves to God I think we might find that Anything is possible!

It is great you are here!

We encourage you to join in with the experience of worship: sing along with us, pause and reflect, hear the Word of God and listen for the voice of God speaking to your soul.

You are not here by accident so ask God, what does He want to say, show or give you today?

A parents room is located to the left of the foyer and the toilets are located down one level by stairs or lift in the main hall.

Join us before worship for barista Coffee & Chat from 9:30 am. It's a good opportunity to make or build friendships.

Majors Dean & Vicki Clarke

Thank you to Majors Tamsett for their contribution to the corps during our absence. It is really good to be home after a wonderful break overseas although I am missing Major Vicki who has commenced her appointment as a delegate at the International College for Officers in London and will return for the start of December. Meanwhile Major Dean has 2,500 photos if anyone wants a slide night?
