Encountering

Jesus

8th SEPTEMBER 2019

Bethesda was known as a place of healing. It was often crowded with destitute people who were blind, lame, and paralyzed. Among them lay a man who had been lame for thirty-eight years.

"Do you want to get well?"

On the surface, the answer would seem obvious. Of course the man wanted to be well! But Jesus was asking a deeper question. He was probing the man's heart. Did he really want to be made whole--transformed inside and out, healed in body, mind, and soul?

Perhaps we can see ourselves, in a sense, helpless, weak, crippled and lame, lying at the pool of Bethesda. We all need help. We all find ourselves paralyzed at times, unable to do the thing we want or ought to do. We find we are lame: we do not walk very well spiritually.

When we encounter Jesus, we find transformation and healing – either physical, emotional, mental or spiritual.

God delights in doing amazing things in the lives of His people. Not only does He want to amaze you, but He also wants the watching world to see His miracle-working power manifested in your life. Don't give up praying and believing for the breakthrough you need, whether in your health, your finances, your emotions, or your family.

Our National Vision

Wherever there is hardship or injustice

Salvos will live, love and fight

Alongside others

To transform Australia one life at a time

With the love of Jesus
