

# LIVE LOVE

**John 13:35**

**Brisbane City Temple**

**7<sup>th</sup> March 2021**

For most of my life in the church I was taught that I was to give a tithe - a tenth. I came away from that teaching understanding that all I had to do was give a tenth and this would be enough. My giving became “works” oriented and legalistic. In giving just the tenth I felt I had done my part. But there was no heart in this—it was mechanical and lacked any ability to see God develop my heart of generosity.

## **What does it mean to live a generous life?**

A generous lifestyle is where I realize just how well God has provided for me that leads me, in return, to a desire to be a generous giver to others. Living generously is living gratefully and offering to others without worrying about getting something in return. It is gratitude in action.

**A generous life is a life lived with our hands open.**

**A generous lifestyle is an intentional way of living that reflects a life touched by God.**

**This week's Bible reading is 2 Corinthians 9: 6-10**

### Alpha is here!

Alpha is a series of talks and discussions that allow people to explore the basics of the Christian faith with others.

This year there will be alpha groups both in person and on line.

**Online- Monday nights 7:15pm**

**In person- Wednesday Mornings 10:30am**

The mission of BCT is to transform our community with the love of Jesus and one of the ways we do that is helping people explore life, faith and God.

If you would like to be a part of Alpha and explore the basics of Christian faith with others register at

### Prayer Warriors

We need people to commit to praying for those who will be exploring God, faith and life through the Alpha program.

You can be a part of this prayer ministry by praying on **Monday nights between 7:15-8:30pm and Wednesdays between 10:30-11:45am.**

This is a significant time for people who are seeking to know more of God and your prayerful support will be a great encouragement.

### Self-Denial Appeal 2021

The Self Denial Appeal started in 1886 when General William Booth called Salvationists to give sacrificially, to deny themselves so that they could offer God's love to a hurting world. This year's Self Denial series [filmed before the COVID-19 pandemic swept across the world] shows how Salvation Army corps and programs are transforming lives and communities.

A video team travelled from South America to Asia, Europe to Africa to gather four stories – a children's ministry program in the favelas of Brazil; a 'self-help' group initiative in India that teaches business skills to women; a corps program in the Ukraine that is transforming the future of young people through caring support and teaching life skills; and we revisit a project in South Africa [from the 2019 appeal] where clean water has changed the lives of thousands of people.

**You can give financially to the Self-Denial Appeal on March 28**
