The Salvation Army response to India COVID-19 wave

The Australia Territory has made a commitment to offer up to \$100k AUD to support the work being done in our Salvation Army hospitals across India by paying for medical supplies – this could be for PPE, oxygen, or whatever is needed to keep our hospitals operational. Beyond this, our goal is to raise an additional \$150k AUD, to be able to contribute a total of \$250k AUD in funds, for this incredibly important appeal.

Will you consider making an additional Self Denial gift in support of the hospitals as they continue to minister in extremely difficult circumstances?

To support the work in India visit www.selfdenial.info/give.

Thank you for prayerfully considering a financial gift in support of our fellow Indian Salvationists serving under extreme hardship.
