

Don't worry there is nothing wrong with your eyes - this image is distorted

We are made in the image of God .

Genesis 1:27 God created mankind in his own image, in the image of God he created them...

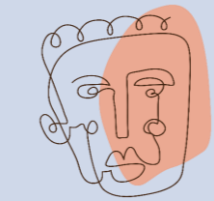

In Genesis 3 we read that humans fell into sin and the image of God was distorted. This means that humans are not as fully like God as they were before. Moral purity has been lost and their sinful character certainly does not reflect God's holiness. The intellect is corrupted by falsehood and misunderstanding; speech no longer continually glorifies God; relationships are often governed by selfishness rather than love. Though man is still in the image of God, in every aspect of life some parts of that image have been distorted (Wayne Grudem Systematic Theology)

The good news is that in Jesus the image of God is restored in us. We can reflect God into the world again, by being in Christ.
