

# GOD'S HOUSE

When you ask someone what they think about the church, be prepared for any response. What they say may inspire feelings of anger, sadness, joy, or hope, depending on what they have experienced in their dealings with believers.

This four-week series will explore four congregational values that should define our relationships with those inside and outside the church.

When we fulfill our biblical call to the four c's—

**Commission, Community, Collaboration, Commandment**

—we can be the church that glorifies Jesus.

Today we look at **Collaboration** – Collaboration allows us to work together to seek the good of our community and expand the reach of the gospel message as we live and serve in the here and now.

This week's bible reading is Acts 6:1–7

*Our National Vision*

Salvos will live, love and fight
