

Be Mature

Exploring the book of James

"...so that you may be mature and complete, not lacking anything" - James 1:4

Brisbane City Temple

October 2022

The book of James offers us valuable lessons in practical Christian behaviour and putting our faith into practice in the situations we face every day.

For this reason, it is very important for us to read, study, and apply to our lives the truths and principles James provides for us.

The Australian Religious Response to Climate Change (ARRCC) is organising a Day of Action on climate change in solidarity with Pacific and Australian First Nations peoples. ARRCC will urge the Government primarily to stop approvals for new coal and gas projects and end public subsidies for fossil fuel industries. Prominent faith leaders will be speaking out in the media, and multi-faith services in cathedrals and events are being held across Australia and the Pacific to show grassroots support for their message. All-night prayer, meditation and fasting vigils will also be held for those interested. All are invited to attend a multi-faith service to be held:
