

Be Mature

Exploring the book of James

"...so that you may be mature and complete, not lacking anything" - James 1:4

Brisbane City Temple

September 2022

The book of James offers us valuable lessons in practical Christian behaviour and putting our faith into practice in the situations we face every day.

For this reason, it is very important for us to read, study, and apply to our lives the truths and principles James provides for us.

Property Update

The existing security cameras needed to be replaced and upgraded. During this process extra cameras were installed in the multipurpose room, car park, community office and front door (street view) The new system allows for clearer footage and greater security.

Recently there were some issues with the **swipe card system** for door entry leaving some cards unable to access certain doors. This has now been rectified, but if you have had issues with your card, please see Scott to get that sorted out.
