

April 2024

Brisbane City Temple

The ANZAC story invites us to make this rich heritage part of our own story. Let us add this depth of loving and giving to our own lives as we strive to live and work for the common good of our community.

As we honour those who sacrificed their lives for our freedom, so too we ought to honour and serve Christ who gave His life that we might be set free from our last great enemy – even death itself.

Whether in stormy seas or calm, whether in the face of an enemy or friend, may God your Creator, your Redeemer and Sustainer, be the truth on which your life is built.

You hope in Him, it cannot be destroyed.

The freedom He secured for you is one from which love and justice flow and the joy that has eternity within it.

When you ponder on those words, “Lest we forget”. Cast your mind back further – to the cross. “Lest I forget Gethsemane”

May peace be with you and those you love and care for,
now and for always.

Open House

BCT's community lunch is on every Wednesday @ 12pm to support those who are unable to afford a meal.

Open house needs volunteers on a regular basis to be able to be sustainable.

Volunteers in the kitchen can be covered however, what is needed are people to chat to the community members that come in seeking a meal.

We would like to focus on meaningful conversations where faith pathways can be established.

Here is an opportunity for you to be involved whether it be practically, financially or spiritually.

Just come along and have a chat & get to know our community. There is always an opportunity to speak about life and have Jesus conversations

At present we have volunteers from corporate spaces e.g. from The Sofitel, Langham Hotel & Suncorp.

Happy April everybody!!
How fast the year is progressing so far.

In March GSA had its 14th Birthday Celebrations with 120 people in attendance. Linda Clarke from Ipswich Corp who is a great supporter of GSA had her head shaved for Shave for a Cure. This caused a knock-on effect with another member of GSA also participating in this on the 24th of March. It just goes to show how much of an effect you have on people's lives by leading by example without you even realizing it.

On that note it would be fantastic if people from our Corp would like to volunteer a couple of hours once a month to assist with supper at Moonyah Chapel which is Tuesday the 16th of April. From 6.30pm till approx. 7.30-8pm. A great opportunity to connect with participants who may wish to attend our Church.

The other way I would like to connect with Moonyah is by collecting and returning participants on a Sunday morning for our meeting. This would be done in the Church Kia and if we had 5 volunteers it would only work out to once a month. It gives participants a chance to get to know our Church before they leave Moonyah and would greatly help with the transition process. If this is something that may interest you, please let me know.

Till next time

Support a family with their new beginning in Australia

How can you put your love into action for refugees?

As Christians, we are called to love God and love our neighbours — including the “foreigners,” such as those from a refugee background.

You and your faith community have an opportunity to put your love into action by welcoming and supporting a refugee family as they build a new life in your local community.

The Salvation Army’s New Beginnings Project is a community sponsorship program for refugees, which began in Canada and is now a global movement. Salvos in Canada and the UK are involved in this — now it’s our turn to join them in serving refugees in this meaningful way.

Learn more about the New Beginnings Project and how you can get involved at our online information session (Thursday 11 April, 7-8pm AEST).
