The Cairns Corps were able to partner with the Police Liaison Unit and the Human Rights Commission to host an 'Anti-discrimination Information' evening last Tuesday. It was a great opportunity to connect with members of the community as The Salvation Army.

If we could all read chapter 6 in The Book Of Hebrews to get a head start on this week's message. Just a reminder that it would be great if we could all read Chapter 11 as well as this is the focal point we are heading to.
