

Let's pray

Caring for people

Scripture

Teacher, which is the greatest commandment in the Law?" Jesus replied: 'Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment. And the second is like it: Love your neighbour as yourself' (Matthew 22:36-39).

Reflection

Jesus was asked, 'what is the greatest commandment?' His response is the core of our Christian faith - the call to put our faith into action by caring for and loving people. We care for people because we believe that every person is made in the image of God and has dignity, worth and significance - regardless of wealth, status, beauty, education or employment. It's about being there when people need us most, offering care and compassion as a sacred encounter with transformative potential.

Prayer

Lord, scripture tells us that we have all been made in your image, pointing to the special relationship human beings can have with you. Thank you for this phenomenal truth and your incredible love for us. Forgive us, Lord, for the times when we have not loved you as we should, nor have we shown love to others. Open our eyes that we would see those around us in need of our compassion. Compel us to listen to them, to hear their needs. Give us hearts to be interested in their troubles and show us ways we can help

In Jesus' name we pray. Amen.
