

# Let's Pray

## Creating faith pathways

### Scripture

*I have come that they may have life and have it to the full (John 10:10).*

### Reflection

*The Bible encourages us to take care in our journey and to seek pathways that lead to a full and flourishing life. The Christian faith sees this in following Jesus, who said that he had come to bring life, and bring it to the full (see scripture above). It is our role as a Christian community to provide different ways to help one another - and others - to find and grow in their faith. We create faith pathways for people in this world when they see the Christian community living out their faith as followers of Jesus. As Salvationists we are committed to 'Creating Faith Pathways'. In doing so we take a holistic approach to the human condition that values spirituality and we graciously share the Good News of Jesus and grow in faith together.*

### Prayer

*Lord, we pray that we would be a faithful people, who seek to continue to grow as devoted disciples of you. Help us to connect others to Christ, creating faith pathways through personal engagement and being prepared to speak openly about our faith. Forgive us for the times when our courage has failed and we have not done this. Thank you for your great love for us. May it compel us to live such Christ centred lives that others will see the truth of your promise to give us life, and life to the full.*

*In Jesus' name we pray. Amen.*
