

# Prayer Room

## Reflection

Let us be in awe of what happened that first Christmas. The Word of God became flesh and made his dwelling among us!

God joined us on Earth and began revolutionising human life. The gift of Jesus transcends all other gifts. It is the one personal gift that existed as a gift to us before we even received it and continues as a gift forever.

Christmas Day is a good opportunity for a fresh start with Jesus. We can let the awe of that first Christmas wash over us, and join the shepherds, wise men and angels and come humbly before him knowing that the gift of Jesus transcends all others.
