

Let's pray

People with disabilities – 'all abilities'

The prayers for this week focus on people living with various disabilities and those who care for them. At the same time, we have used the language 'all abilities' to remind us that all people are made in the image of God and have gifts and different abilities. The label 'disability' or 'disabled' can focus our attention on people's deficits rather than their strengths – and the reality is that everyone has both!

Scripture

Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience. Bear with each other and forgive one another if any of you has a grievance against someone. Forgive as the Lord forgave you. And over all these virtues put on love, which binds them all together in perfect unity. (Colossians 3:12-14)

Prayer

Lord, thank you that you are good and kind. I pray that people of all abilities will be strengthened today and grow greater in knowing your love and kindness. I pray that the light of who you are would rise up within people of all abilities in a greater way throughout Australia and they would have a renewed sense of purpose and hope. I pray that you would place them in areas where they would have great influence in bringing glory to your name.

I pray that there would be greater opportunities for people of all abilities to embrace the calling you have placed in their lives. I pray for an increase of mentors and advocates who would stand with people of all abilities as they pursue your purpose and plans for their lives. Bring to fruition all that you have called people of all abilities to do and be. May they feel your incredible grace today.

Amen

future

It's time to complete and return your NCLS Surveys.

Thank you for signing up to participate in the 2021 National Church Life Survey. Despite the challenges of the past few years for churches, we're encouraged that over 3,000 churches—including yours—have signed up to take part in the National Church Life Survey.

Even though it's 2022, it's still not too late to be part of the 2021 Survey!

If you haven't already done so, it's time now to do the surveys and send them in!
