As we know You, we will make You known, As we praise You, we will see You glo-ri-fied, As we

love You, we will love as You love, Help us do what-e-ver it takes. As we Help us

do what-e-ver it takes. May our lives of love al ways show, And our words of love let o-thers know,

How the Fa-ther's heart cries out. May our lives of love al ways show, And our

words of love let o-thers know, How the Fa-ther's heart cries out, call-ing to His chil-dren,

call-ing to His chil-dren, call-ing to His chil-dren.
