

TAKE THE PATHWAY

Geoff Cowan.
(1998)

Take the pathway with your Saviour,
Take His hand and walk with Him,
He will take you to a wonderful place,
Where darkness meets the light.

Take the pathway with your Saviour,
Take His hand and walk with Him.
You will see Him in His glory there,
Your life will no longer seem dim.

Take the pathway with your Saviour,
To where darkness meets the light,
Dwell in His grace and mercy,
His joy, it breaks your night.

Awake the fire in your heart,
Let hope replace your daily cares.
Compassion and love wash away your tears,
New mercy banish endless fears.

Your robe is righteousness revealed,
Love's gift a precious treasure.
Endless, perfect, failing never,
Grace and mercy yours forever.

The pathway made straight for you.
God's perfect plan of truth and peace,
Of life complete and ever full,
His river flows and does not cease.

As we worship, Raise a banner.
Lift it high, in this place.
For the Lord is worthy,
Yes, He's worthy of your praise.

So raise a banner.
Raise it high, in this place.
Declare the Lord is your Saviour.
Raise a banner to His name.

So raise a banner,
Raise it high, in this place.
Declare the Lord, is your Saviour.
Raise a banner to His name.
