

# Central Vic Salvos

Sunday 2nd April 2023

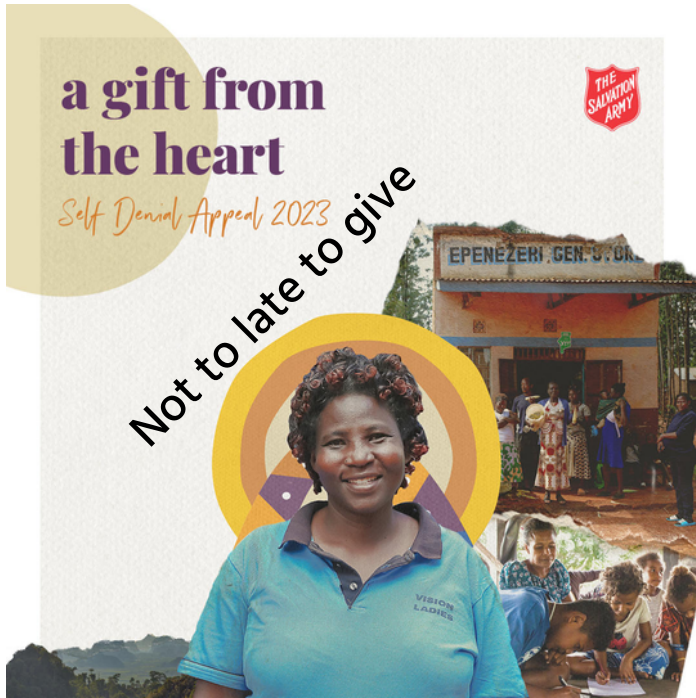

To many people this time of year is seen as a happy time in the church. We turn up one Sunday and celebrate the excitement of Palm Sunday and then turn up next Sunday and celebrate the joy and victory of the resurrection of Jesus. But in between times there is much suffering that takes place – both by Jesus and his followers.

It reminds me of the several occasions I have found old Easter eggs in the cupboard. I get really excited because I get to eat more chocolate. But then as I unwrap the egg, I discover the chocolate has gone white and powdery and is not pleasant to eat at all. And my excitement turns to sadness and despair.

The reality is life is full of times of celebration and times of pain. Quite often the times of greatest victory and celebration often only come as a result of pain and sacrifice. Think of the joy of a newborn baby, completing school, winning a sporting contest, celebrating an 80th birthday. These celebrations only exist because pain exists.

On Palm Sunday the people cried out Hosanna. Hosanna means “Save us, we beseech you”. It is a cry out of the need for Jesus to be their Lord and Saviour. It is a prayer to ask Jesus for healing and deliverance. It is a call out for help. So, on Palm Sunday the people celebrated because their Messiah, their Saviour, had come to free them from all the things that caused them pain and oppression.

As we celebrate Palm Sunday what do we need to remember? That we can't do it alone in life. We need someone to save us and guide us. That we need someone to journey through life with us. And that person is Jesus. But accepting Jesus does not mean an easy life. But it does mean a life of freedom and joy. A life that is not travelled alone. A life where pain is not the destination but freedom is. Hosanna in the highest!!!

"It is written," he said to them "My house will be called a house of prayer" Matt 21:13

"Is anyone among you in trouble? Let them pray. Is anyone happy? Let them sing songs of praise" James 5:13
