

Greetings,

I am prepared to produce offering envelopes for any corps, and these are just a few samples you could choose from:

They are of an envelope size that will accept notes up to \$100 without the need to fold them. I can provide them in boxed sets with:

- 1 Any starting date needed, for 52 weeks
- 2 Obviously your corps name is entered
- 3 I can provide exactly the sequence of numbers you require, that is omitting numbers of persons who may have moved away or changed to direct debit.
- 4 Scripture text can be provided as per these samples, or your choice.
- 5 I can provide these at \$6.00 a set of 52 envelopes, plus the cost of mailing by Australia Post from Wollongong.
- 6 They come in a box to keep them tidy for you
- 7 If you wish to choose your own design, I will be happy to oblige
