New Employee

We are very excited to announce that the Corps new staff position is advertised on Seek, Christian Jobs and The Salvation Army website. If you know anyone who may be interested please pass the information on to them.

Red Shield Appeal

Well it is official, we are in the month of May and that means it is time for our annual Red Shield Appeal. This year we will be needing people to help out with our digital door knock and our static collection points. We are hoping to have collecting rosters available for next Sunday so that you can put your names down.

We are also looking for anyone who may have a good relationship with any businesses in town that would be willing to have a collection tin placed on their counter.

The Red Shield Appeal is our primary way of fundraising and the funds collected are used for our Breakfast and Lunch Programs as well as our annual Christmas Assistance.

If you would like anymore information or to make yourself available to help out please see Lt. Zak

Anzac Day

Thank you to everyone who participated in ANZAC Day commemorations on behalf of The Salvation Army. The organising committees in Gympie, Widgee and Miva all expressed how grateful they were for us to give of our time to support their events.

Thank you

Dee and Zak would also like to express their gratitude to everyone who helped out so that they could have furlough. It does not go unnoticed just how much everyone does to make our Corps what it is, Thank You!

Gympie Salvos are dedicated to sharing the love of Jesus
