## Red Shield Appeal

After a rocky start to the Red Shield Appeal in 2021 I am very happy to announce we raised just over \$14,000. While this was a little bit short of our \$20,000 goal it is enough to cover the ongoing social ministries of the Corps. God is good and continues to bless our faith community with the resources we need to serve a community in need.

## Connecting People

If you weren't here last week or didn't get a chance to complete the connecting people questionnaire please see Zak today. The more people we get to complete the survey to more accurate the data will be and the better picture we will get of how well our corps is connecting people to faith pathways

Gympie Salvos are dedicated to sharing the love of Jesus
