With the ongoing pandemic and change in restrictions announced by the Queensland Government we are now required to transition from our current contact tracing arrangements to the Queensland Government's check in app. Whenever you enter the church or family store building you will be required to check in via this app. If you haven't already you will need to download the app from you app store. If you are unable to do this please see your group leader or Zak for assistance.

There have been a number of Officer changes recently in our area, they are:

Maroochydoore Corps

Captains David and Kate Donaldson - Corps Officers -
Team Leaders Nambour Corps

Major Karen Saunders - Corps Officer Team member
Nambour Corps

Self Denial Appeal

We have now received the final figures for this years Self Denial Appeal. This year we raised \$8386 which is \$1305 more than last year. This is a great effort and will make a very real difference in the lives of our brothers and sisters in developing nations. Thank you for your sacrificial gift this year.

Prayer Cards

The July Prayer cards are now available on the prayer wall. You will notice that the community and church cards are dated for the next 3 months. We believe the prayer points on these cards are significant and we should continue to persevere in asking God to intervene in those areas for this next quarter. The praying for our Army cards will continue to be updated monthly. Please continue to take these cards home for your prayer time. Even though there is only 6 on the board they will continue to be printed as required.

Free Market

On Wednesday we will be holding a free market. This is an opportunity for all community members to come and receive needed clothing, toiletries etc. for free. If you know anyone please let them know it is on.

Gympie Salvos are dedicated to sharing the love of Jesus
