LOVE MAKES IT  
IMPOSSIBLE  
TO HARM  
ANOTHER;  
SO LOVE  
FULFILLS ALL  
THAT THE LAW  
REQUIRES.

*Romans 13:10*

## What does love look like?

It's important to learn to ask the one question in life that covers everything: "What does love look like?" If you were asked this question, what would you say...?

Towards the end of the movie Schindler's List, Oscar Schindler sees the Jewish people he had helped, but wishes he had done more. He looks at his car and wishes he had sold the car to free 10 more people. He takes a pin off his shirt and wishes he could have sold it to save one more person. This man gave away his fortune to help others, and yet wished he had done more.

This echoes what Jesus Himself did – He loved and cared when others wouldn't, and for those whom others didn't. A woman had been bleeding for years and Jesus healed her; He touched the blind men and gave them back their sight; the crippled experienced His divine touch and care. We took pity on the mentally ill and those possessed by spirits.

What does love look like? It looks like **JESUS!**

How do we do it? We need to care, even when others don't – one person at a time.

## Hope Food Market

While many things have changed this year due to COVID restrictions our Hope Food market is still operating on Tuesdays.

Through partnerships with Hawkesbury Community Kitchen, Secondbite and Foodbank, each week we have fruit, vegetables and bread **FREE** for anyone who needs it. We also have excellent value grocery hampers for individuals and families.

Come and see us between **10am and 1pm** each **Tuesday** during the school term for assistance with food. Food is distributed in a first come, first served basis.

**Due to school holidays the Hope Market will be taking a break on 29th September & 6th October 2020.**

## Christmas Celebrations

It's hard to believe it, but it's less than 4 months till Christmas, and it's safe to say it's going to be very different this year. While public events and community celebrations may not go ahead as in previous years, The Salvation Army across the Norwest Region (Hawkesbury, Rouse Hill and Dural) are working together to bring a special Christmas Eve Carols service that can be viewed online and with restricted numbers at our Church Hall.

More information to come shortly!

---

**The Hawkesbury Family Store is now back in operation Monday-Wednesday, 9:30am-2:30pm. The staff have worked hard to refresh the store and adjust prices so you can come in, have a browse and grab a bargain!**  
**196 George Street, WINDSOR**

## The Salvation Army Norwest Region

In late 2019 The Salvation Army Headquarters informed the leadership in our area that the Salvation Army churches of Hawkesbury City, Dural and Rouse Hill Region would be forming a new region, with the goal of working together to improve ministry and share resources.

Since then the leaders have been meeting and working together and looking at ways we can bring the ministry to each community that is really needed most. This will mean changes; some things we used to do before COVID will not return, others will be improved and new things may begin. Keep your eye on future Newsletters for more information as we move forward as the **Norwest Region**.
