Aggregated Financial Report
Notes to the Aggregated Financial Statements
For the year ended 30 June 2022**

1 General information and statement of compliance

The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) (the Fund) is a not-for-profit entity and a member of the Australia Council for International Development (ACFID) and has applied the principles of the ACFID Code of Conduct for Non government development organisation. The application of these principles includes certain disclosures in the attached financial statements.

These aggregated financial statements comply with all of the general purpose financial statements requirements in accordance with Australian Accounting Standards – Simplified Disclosures made by the Australian Accounting Standards Board with the exception that the aggregated entities that comprise the Fund do not constitute a group for the purpose of AASB 10 Consolidated Financial Statements.

These aggregated financial statements are the first financial statements prepared in accordance with Australian Accounting Standards – Simplified Disclosures. In the prior year the aggregated financial statements were prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements. There was no impact on the recognition and measurement of amounts recognised in the statement of financial position, of comprehensive income and of changes in equity and cash flows of the Fund as a result of the change in the basis of preparation.

The financial statements for the year ended 30 June 2022 were approved and authorised for issue by the Board of Trustees on 14 October 2022.

2 Summary of accounting policies

a) Overall considerations

The financial statements have been prepared using the measurement bases specified by Australian Accounting Standards for each type of asset, liability, income and expense. The measurement bases are more fully described in the accounting policies below. These aggregated financial statements are presented in Australian dollars, which is the Fund's functional currency.

b) Basis of aggregation

The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) Financial Report incorporates the assets and liabilities as at 30 June 2022 and the results for the year ended 30 June 2022.

The Aggregated Financial Report aggregated the financial information of The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) ABN 52 609 689 893 and The Salvation Army Aust Self Denial Fund (For Overseas Aid) ABN 15 562 601 404. The balances and effects of transactions between The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) ABN 52 609 689 893 and The Salvation Army Aust Self Denial Fund (For Overseas Aid) ABN 15 562 601 604 have been eliminated.

c) Revenue recognition

Revenue is primarily generated from sources within Australia and is recognised to the extent that it is probable that the economic benefits will flow to The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) and the revenue can be reliably measured.

i) Donations and fundraising

The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) recognises amounts donated or raised on behalf of the fund as income only when they are received.

ii) Grants

Grant revenue is recognised in the statement of profit or loss when The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) and the amount of the grant can be measured reliably. If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

iii) Interest

Interest is recognised when received/receivable.

iv) Revenue for international religious adherence program

The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) recognises amounts contributed by The Salvation Army Australia towards international religious adherence programs as income only when they are received.

v) Other Income

Other income includes amounts contributed by The Salvation Army Australia and is recognised as income only when they are received.

vi) Investment Income

Investment income comprises interest, dividends, and movement in financial instruments (refer to note 1g). Interest is recognised as it accrues. Dividends are recognised when the right to receive a dividend has been established.

All revenue is stated net of the amount of goods and services tax (GST).

d) Cash and cash equivalents

Cash includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments.

e) Employee benefits

i) Wages and salaries

Liabilities for wages and salaries, including non-monetary benefits, expected to be settled within 12 months of the reporting date are recognised in respect of employees' services up to the reporting date and are measured at the amounts expected to be paid when the liabilities are settled.

ii) Long service leave

The liability for long service leave is recognised and measured at the present value of the estimated cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

iii) Annual leave

Short-term employee benefits are current liabilities included in employee benefits, measured at the undiscounted amount that The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) expects to pay as a result of the unused entitlement. Annual leave is included in 'other long-term benefit' and discounted when calculating the leave liability as The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) does not expect all annual leave for all employees to be used wholly within twelve (12) months of the end of reporting period. Annual leave liability is still presented as current liability for presentation purposes under AASB 101 Presentation of Financial Statements.

iv) Superannuation

The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) provides post-employment benefits through defined contribution plans. Amounts charged to the income statement in respect of superannuation represent the contributions paid or payable by The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) to the employees' superannuation funds.

f) Income tax

No provision for income tax has been raised as The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) is exempt from income tax under Div 50 of the Income Tax Assessment Act 1997.

g) Financial instruments

Classification and measurement of financial assets and financial liabilities

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as measure at FVTPL:

- it is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All financial assets not classified as measured at amortised cost or FVTOCI are measured at FVTPL. On initial recognition, The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVTOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise. The following accounting policies apply to the subsequent measurement of financial assets held by The Salvation Army (Australia) Self Denial Fund (For Overseas Aid):

The Salvation Army (Australia)
Self Denial Fund (For Overseas Aid)
Aggregated Financial Report
Notes to the Aggregated Financial Statements
For the year ended 30 June 2022

Financial assets at amortised cost:

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

Financial assets at FVTPL:

These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.

The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) does not have any debt or equity investments at FVTOCI.

Measurement categories of financial assets:

Cash and cash equivalents, trade and other receivables, and other financial assets are now classified at amortised cost.

Modifications of financial assets and financial liabilities:

If the terms of a financial asset are modified, The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) evaluates whether the cash flows of the modified asset are substantially different. If the cash flows are substantially different, the contractual rights to cash flows from the original financial asset are deemed to have expired. The original financial asset is derecognised and a new financial asset is recognised at fair value.

If the cash flows of the modified asset are not substantially different, The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) recalculates the gross carrying amount of the financial asset and recognises the derecognition as a modification gain or loss in profit or loss. If such a modification is carried out because of financial difficulties of the borrower, the gain or loss is presented together with impairment losses.

Financial liabilities:

The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) classifies non-derivative financial liabilities into the other financial liabilities category. These include trade and other payables and provisions.

The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire. The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) also derecognises a financial liability when its terms are modified and the cash flows of the modified liability are modified and the cash flows of the modified liability are substantially different, in which case a new financial liability based on the modified terms is recognised at fair value.

On derecognition of a financial liability, the difference between the carrying amount extinguished and the consideration paid (including any non-cash assets transferred or liabilities assumed) is recognised in profit or loss.

Financial liabilities are initially recognised when The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) becomes party to the contractual provisions of the instrument. A financial liability is initially measured at fair value plus transaction costs that are directly attributable to its issue.

h) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST components of investing and financing activities, which are disclosed as operating cash flows.

i) Significant management judgement in applying accounting policies

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

i) Estimation uncertainty

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be substantially different.

ii) Impairment

In assessing impairment, management estimates the recoverable amount of each asset or cash-generating unit based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future operating results and the determination of a suitable discount rate.

iii) Long service leave

The liability for long service leave is recognised and measured at the present value of the estimated cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

j) Leases

At inception of a contract, The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) assesses whether a contract is, or contains a lease. A contract is, or contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) assesses whether:

- The contract involves the use of an identified asset - this may be specified explicitly or implicitly;
- The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) has the right to obtain substantially all of economic benefits from use of asset throughout the period of use and;
- The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) has the right to direct the use of the asset. The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) has this right when it has the decision-making rights that are most relevant to changing how and for what purpose the asset is used.

At commencement or on modification of a contract that contains a lease component, The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) allocates the consideration in the contract to each lease component on the basis of its relative stand-alone price. However, for leases of property The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) has elected not to separate non-lease components and account for the lease and associated non-lease components as a single lease component.

The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) recognises the right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site in which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the entity's incremental borrowing rate. Generally, The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) uses its incremental borrowing rate as the discount rate.

The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) presents right-of-use assets that do not meet the definition of investment property in 'property, plant and equipment' and lease liabilities in 'trade and other payables' in the statement of financial position.

Short-term leases and leases of low-value assets

The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) has elected not to recognise the right-of-use assets and lease liabilities for short-term leases of equipment that have a lease term of 12 months or less and leases of low-value assets, including IT equipment. The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

k) New Standards and interpretations not yet adopted

A number of new standards and interpretations are effective for periods beginning after 1 July 2021 and earlier application is permitted, however The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) has not early adopted the new or amended standards and interpretations in preparing these financial statements.

i) New Standard adopted by the Fund

The Fund has initially adopted standard AASB 1060 General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 entities from 1 July 2021 with the exception that the aggregated entities that comprise the Fund do not constitute a group for the purpose of AASB 10 Consolidated Financial Statements.

This standard did not have any impact on the amounts recognised in prior periods and is not expected to significantly affect the current or future periods.

Independent Auditor's Report

To the Trustees of The Salvation Army (Australia) Self Denial Fund (For Overseas Aid)

Opinion

We have audited the *Aggregated Financial Report*, of the Salvation Army (Australia) Self Denial Fund (For Overseas Aid) (the Aggregated Fund).

In our opinion, *Aggregated Financial Report* of the Aggregated Fund presents fairly, in all material respects, the financial position of the Salvation Army (Australia) Self Denial Fund (For Overseas Aid) as at 30 June 2022, and of its financial performance and its cash flows for the year then ended, in accordance with the basis of preparation described in Notes 1 and 2 to the financial statements.

The *Aggregated Financial Report* comprises:

- Aggregated statement of financial position as at 30 June 2022.
- Aggregated statement of comprehensive income, Aggregated statement of changes in equity, and Aggregated statement of cash flows for the year then ended.
- Notes including a summary of significant accounting policies
- Trustees' Declaration.

The *Aggregated Fund* consists of The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) Eastern Territory and The Salvation Army (Australia) Self Denial Fund (For Overseas Aid) Southern Territory.

Basis for opinion

We conducted our audit in accordance with *Australian Auditing Standards*. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report.

We are independent of the Entity in accordance with the ethical requirements of the *Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the *Financial Report* in Australia. We have fulfilled our other ethical responsibilities in accordance with these requirements.

We confirm that the independence declaration required by the ACNC Act 2012, which has been given to the Trustees of the Entity on 14 October 2022, would be in the same terms if given to the Trustees as at the time of this Auditor's Report.

Emphasis of matter – basis of preparation and restriction on use

We draw attention to Notes 1 and 2 to the Aggregated Financial Report, which describes the basis of preparation.

The Aggregated Financial Report has been prepared for the purpose of fulfilling the Trustees' financial reporting responsibilities under the *ACNC Act 2012*.

As a result, the Aggregated Financial Report and this Auditor's Report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Our report is intended solely for the Trustees of the Entity and ACNC and should not be used by

KPMG, an Australian partnership and a member firm of the KPMG global organisation of independent member firms affiliated with KPMG International Limited, a private English company limited by guarantee. parties other than the Trustees of Salvation Army (Australia) Self Denial Fund (For Overseas Aid) and ACNC. We disclaim any assumption of responsibility for any reliance on this report, or on the Aggregated Financial Report to which it relates, to any person other than the Trustees of the Entity and ACNC or for any other purpose than that for which it was prepared.

Other Information

Other Information is financial and non-financial information in Salvation Army (Australia) Self Denial Fund (For Overseas Aid)'s annual reporting which is provided in addition to the Aggregated Financial Report and the Auditor's Report. The Trustees are responsible for the Other Information.

Our opinion on the Aggregated Financial Report does not cover the Other Information and, accordingly, we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the Aggregated Financial Report, our responsibility is to read the Other Information. In doing so, we consider whether the Other Information is materially inconsistent with the Aggregated Financial Report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

We are required to report if we conclude that there is a material misstatement of this Other Information, and based on the work we have performed on the Other Information that we obtained prior to the date of this Auditor's Report we have nothing to report.

Responsibilities of Management for the Aggregated Financial Report

Management are responsible for:

- the preparation and fair presentation of the Aggregated Financial Report in accordance with the Australian Accounting Standards – Simplified Disclosures with the exception of section 60-95 (Subdivision 60-G Collective and joint reporting) of the ACNC Act and that the Aggregated Fund does not meet the definition of a group in accordance with AASB 10 Consolidated Financial Statements; and have determined that the basis of preparation described in Notes 1 and 2 to the Aggregated Financial Report is appropriate to meet the Entity's financial reporting requirements.
- implementing necessary internal control to enable the preparation of Aggregated Financial Reports that are free from material misstatement, whether due to fraud or error.
- assessing the Aggregated Fund's ability to continue as a going concern and whether the use of the going concern basis of accounting is appropriate. This includes disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they either intend to liquidate the Aggregated Fund or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Aggregated Fund's financial reporting process.

Auditor's responsibilities for the audit of the Aggregated Financial Report

Our objective is:

- to obtain reasonable assurance about whether the Aggregated Financial Report as a whole is free from material misstatement, whether due to fraud or error; and
- to issue an Auditor's Report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with *Australian Auditing Standards* will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error. They are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Aggregated Financial Report.

We also:

- i. Identify and assess the risks of material misstatement of the Aggregated Financial Report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal control relevant to the Audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered Aggregated Fund's internal control.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustees.
- iv. Conclude on the appropriateness of the Trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the registered Aggregated Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Aggregated Financial Report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the registered Aggregated Fund to cease to continue as a going concern.
- v. Evaluate the overall presentation, structure and content of the Aggregated Financial Report, including the disclosures, and whether the Aggregated Financial Report represents the underlying transactions and events in a manner that achieves fair presentation.
- vi. Obtains sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Aggregated Fund to express an opinion on the Aggregated Financial Report. The auditor is responsible for the direction, supervision and performance of the group audit. The auditor remains solely responsible for the audit opinion.

We communicate with the Trustees of the Aggregated Fund regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
