

CfC Committee Disclosure of Interest Form

1. I have been asked to declare any interest that I may have which would preclude me from undertaking my role in the funding process being undertaken by The Salvation Army Communities for Children – Facilitating Partner (CfC-FP) inviting applications for funding under the CfC-FP Families and Children Program.
2. To the best of my knowledge and belief I have not had, and do not have, any relationship, either personal, financial or professional, with any potential applicant, or employee or adviser of any potential applicant, such that a potential applicant, or any employee or adviser of a potential applicant, or myself or a member of my direct family, could benefit personally in some way from the outcome of the Funding Process **apart from those described below**.
3. I am aware of CfC-FP requirement for strict probity in the Funding Process and if I subsequently discover that there is a relationship of a kind mentioned in paragraph 2 of this Declaration with any potential applicant, I will immediately report it to the CfC Committee chair.
4. I will also immediately report to the CfC Committee chair any direct or indirect contact that I have with any potential applicant, or any employee or adviser of any potential applicant, which is not officially authorised, including any approach made to me in the way of a direct or implied offer of future employment or other benefit.
5. I acknowledge that Community Partners on the CfC Committee will be required to abstain from discussion and decision-making regarding disbursement of funds when there is a perceived or actual conflict of interest.
