Sing A New Song

Designed with smaller vocal ensembles in mind, yet still suitable for larger groups, this new series features songs by Australian composers in styles which are accessible to contemporary congregations. The series is written primarily for two female and one male part; though cued parts are included in some titles for bass and other divisi voices when required.

Recorded CD accompaniment tracks are available for each song allowing leaders to rehearse each section of the song and provide for performances by groups who have no or limited musical support.

Have Thine Own Way

Words: Adelaide A. Pollard (1863-1934) (verses)

Music: Brian Hogg

In 1907, Adelaide Pollard was of the belief that the Lord wanted her to be a missionary in Africa. Unable to raise the required funding for such an undertaking, she was confused and uncertain of her calling. While attending a prayer meeting one evening, an elderly woman prayed; her words brought comfort and encouragement to the author of this song. The elderly woman's prayer was one of assurance and wisdom ...

*"It's all right, Lord.
It doesn't matter what You bring into our lives,
just have Your own way with us."*

Musical notation for four vocal parts: Soprano, Alto, Tenor, and Bass. Each part has a single note on a staff. The Soprano and Alto parts are on treble clefs, and the Tenor and Bass parts are on bass clefs. The notes are: Soprano (G4), Alto (F4), Tenor (C3), and Bass (G2).
