THIS SUNDAY 18 AUGUST

426 CHURCH UPDATE

The builders are on site and the work has begun. This is very exciting!

The type of contract we have signed for the building is what's called a fixed price contract. The cost of the build is \$7.9 million and the completion date on the contract is March 31 2020. There is an allowance for the unexpected or things beyond the builders control such as weather, or us changing our minds on something. However, if all goes to plan it'll be done by March. So we're planning to have an amazing Easter Celebration in our new building on April 10-12!

We will do our best to give you regular update on progress; hopefully videos as well.

The original approval for the build by the Eastern Territory stated that there would be no loan. However, with the Granville buildings being assigned to work in Merrylands we now need to take out a loan from THQ for \$1.3 million over 15 years. With interest, the payments will be approximately \$110,000 p.a. The repayments will be linked to the rental income from our building rather than planned giving. If for some reason rental income were to reduce dramatically, the loan repayments will be adjusted so that payments are not coming from income from the congregation.

GATHERING THREE

Our Gathering after worship and morning tea on Sunday 25 August will not be a 'business' forum. Instead, we are delighted to tell you that Kingsley Nowell will be facilitating a session for us. As we plan to launch the new incarnation of our corps we want to be sure that we're starting in the right place having agreed on the values and convictions that will help us plan great ministry. We want to design our life together as a corps in a way that will help us flourish and minister faithfully as a people of God.

So this will be a time of conversation and creative ideas. So please come along ready to contribute and to listen. We want to hear from each other and, most importantly, we want to be guided by the Holy Spirit. We're doing the hard yards in a temporary location across three sites but it is exciting to talk about, look forward to, and to imagine all that God can do. And remember, God can do abundantly more than we can ask or imagine.

Thank you for your faithfulness and resilience through this longer than expected process. Thank you for your prayers, thank you for your commitment to our corps.

"Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in [our] church and in Christ Jesus throughout all generations, for ever and ever! Amen."

GOLDEN YEARS & LADIES FELLOWSHIP

It was a highlight morning at Golden Years this week. We hosted the Sydney Veterans Band at All Saints Anglican Church. After a fabulous morning tea in the ministry centre we then moved over to the church for a concert full of variety - toe tapping marches, popular melodies, reflective pieces, great vocals and a clear gospel message. The congregation enjoyed the morning which was certainly enhanced by the beauty of the venue. (pictures right bottom and middle)
