## CORPSNEWS

### FURNITURE FOR SALE

There are still some chairs, desk drawers and tables available. If anyone would like to purchase any of these items please contact Karen and make an offer.

### GREEN TEAM

On Saturday 25 July we are putting together a team to work on the planter boxes at 426 Church Street. As it is still a construction site there will be limited access to areas of the building and a number of conditions to adhere to. If you are physically fit and interested in helping us on that Saturday please contact Sharon to let her know of your availability. We will also be having a 'planting' day in early August so if you would like to volunteer for that event please let Sharon know. There will also be an opportunity to be part of a 'green team' that will care for the planting and other aspects of the building. Stay tuned for more information about this team.

### YOUTH MEETING

It was a great time of fellowship and worship last Friday night for the youth of our corps. Ryde YA contributed in worship, and Nicola Poore preached.

## PRAYERPOINTS

As we continue praying through the Corps Directory this week we will be praying for: Helen & Richard, Anthony, James, Benjamin, Margaret Eden; Gavin & Kim, Hayley, Zoe Entwistle; Kate & Colin, Cameron, Chelsea Eisenhuth.

There are a few people in our corps community who need our prayers at the moment: John Acocks surgery was delayed due to an infection. We pray that this clears so the surgery can go ahead. Hazel Vickory has been in Westmead hospital for a few days and hopes to be home soon. Glad McComb is having a hip replacement and will be in recovery for a few months. Our thoughts are also with Fred & Jean Fouracre as Fred is very unwell at present and needs our prayer.

We remember those in our corps community who are facing health challenges and need our prayerful support, especially with the extra caution required due to the threat of the coronavirus.

We are praying for everyone who lives in the state of Victoria as they return to stage 3 restrictions of the Coronavirus Pandemic. We continue to pray for the Premiers of each state as they make decisions on our behalf. We pray for wisdom as the government leads us through these uncertain times.

*If there is someone or something you would like us to pray for please contact the office for it to be included in the newsletter.*
