STEWARDSHIP SUNDAY

This is a day when we remember all that God has given us and our worshipful response to his blessings. We start by recognising what the psalmist understood: "the earth is the Lord's and everything in it". Each of us need to pray and to seek the prompting of the Spirit as we think about what that means for us personally. As you consider the amount you give to God's work in Parramatta ask yourself: "I am being a faithful steward of all God has given me? Am I living a generous, devoted, and mission enabling life? God is blessing our corps. He will continue to do so. May we continue to honour his blessing in our giving as his people.
