PRAYERPOINTS

Praying for our newest senior soldier, Margaret Eden.

Keep on praying for those in our church community who are unwell, or recovering from surgery, injuries, or ill-health. Alayne Godkin is still in Westmead hospital and needs our support and prayer.

Praise for a safe and successful Red Shield Appeal in the Parramatta Zone: for the many volunteers from the community who helped us and the opportunity to support the mission of the Salvation Army to the vulnerable and needy in our society.

*If you would like us to pray for you or your loved ones, contact either **Marty Bust** or **Dot Griffin** for it to be included in the newsletter.*

YOUTH COUNCILS

Wentworthville area team captains!

These students from Muirfield High have volunteered for the last 5 years — even now when they no longer attend the school!

Residents from Constitution Hill Retirement Village volunteered at Bunnings Northmead. Great support again from The Kings School students.

RED SHIELD APPEAL THANK YOU

A big thank you to all those who volunteered their time over the last two weekends by collecting at Community Collection Points at the Elections, Westfield, Bunnings, and Shopping Centres; by leading teams and driving students for the doorknock; by working in the counting house and catering. We raised over \$26,000 with money still coming in. Well done everyone!

Here are a few lovely stories we heard from the Community Collection Points:

One father was accompanied by his two children and explained that the children had been earning some money from recycling and had come to give \$5 each from what they had earned to help others through the Appeal.

Another father brought his son and told us he was teaching him 'generosity' by encouraging him to give to help others.

Another father accompanied by his son asked me to explain what the money we collected was used for, so I talked about giving homeless people somewhere safe to stay, giving food to families who could not afford to buy food for themselves, etc. The following day they came back so the lad could give a donation to help us to do this.

Volunteers from our corps and our community; volunteers from Sydney University and local high schools. A great team effort in the RSA Parramatta Zone.
