Q1: When did you feel God the most during the service?
 Q2: How do you prepare daily to put on the Armour of God?
 Q3: What are some of the battles you are going through right now that you need God's armour for?

Pray to be prepared daily for battle against the enemy by putting on the whole Armour of God. With God's armour you can face anything, protect your self and fight back against the devil's schemes.

Verse of the week
"Put on the full armor of God, so that you can take your stand against the devil's schemes."
 Eph 6:11
