DROUGHT RELIEF

What a wonderful time we had last Sunday as we worshipped, prayed and remembered

those who are being disadvantaged by the drought. Listening to Narelle, the farmer's wife, was emotional but we were in awe of her commitment to the life she and her family have lived for generations. Thank you to those who donated. $1680 was raised.

PRAYER

We continue to ask for prayer for those of our church family who are still not well: **Dawn McWilliams, Robyn Cullen, David Bowerman, Scott Walker.**

HAPPY BIRTHDAY

On Tuesday, **Major Dorothy Hosking** celebrated her 90th birthday. She is a volunteer at mainly music and all the children helped her blow out the candles on a very large cake! Happy birthday, Dorothy from all your friends at Sydney Inner West.
