

Love You to Pieces Father's Day Frame Gift

Supplies Needed:

- 4 icypole Sticks
- Old puzzle pieces
- Cardboard
- Crayons/Paint
- Photo/camera
- Glue

Take a photo of your kids holding a cardboard sign saying, "Love you to pieces!" and have it printed or use a photo you already have and just handwrite a little sign to stick on the edge of your photo. Then let your kids paint the icypole sticks with paint and let dry. Have them glue the icypole sticks, puzzle pieces, and photo together to make a great Father's Day gift.
