

## Tea Cup Cards

To make these tea cup cards you will need (per card)

1 Blank card or cardboard/construction paper to make your own

Piece of coloured paper

1 cut up egg box (you can get 4 cups out of a 6 egg box – one per corner)

1 small piece of pipe cleaner

1 teabag in your mum's favourite flavour

Glue

Flower shapes or stickers to decorate (optional)

Assemble everything on to the card like the photo and glue it all down. Make sure the egg carton cup is stuck down firmly to hold the tea bag securely. You can mix up the colours and designs to reflect your own favourite colours and the things that make you happy.
