

School Student Broadband Initiative

Free internet for school students !!!

The Australian Government has established the School Student Broadband Initiative (SSBI) to provide **free home internet for one year** to unconnected families with school aged students.

Eligibility

MAKE IT EASY

To be eligible for SSBI, families must:

- Have a child living at home that is enrolled in an Australian school in 2023.
- Not have an active nbn® network internet service at home. Having a mobile internet service does not affect eligibility.
- **Be referred by a nominating organization.** This will include consideration of whether the child has access to a device and the digital skills to use the internet safely.
- Live in a premises that can access the nbn network via a standard connection.

CfC is one of the participating organizations that can identify and nominate families!
