

WATER THEMED GAMES

These games are ideal for an afternoon planned activities session. They are budget friendly low-cost and great for groups between 15 and 40. Remember to remind campers to back something to get wet in!

WATER SPONGE

Prep Time:

5mins

Play Time:

10mins

Cost:

\$

Materials Needed:

- 2 Sponges per team (car wash sponges are the best)
- 2 Water bucket per team

Instructions:

Leaders will split campers into teams (dependent on group size). There will be a sponge with water next to each camper starting.

The first camper in each line will get the sponge and soak up as much water as they can get and squeeze it into a bucket.

The first team to fill up the bucket with water first wins.

Notes:

- Students that go past the starting line will have a 15 second wait for the whole team.
- Make sure leaders keep refilling the water bucket so it'll never run out of water.

BEACH TOWEL VOLLEYBALL

Prep Time:

10mins

Play Time:

15mins

Materials Needed:

- 1 beach towel for every 2 people.
- Water Balloons (large balloons tend to be more fun!).
- A Volleyball net.

Instructions:

Like Volleyball the objective is to score the most points and get the other team wet at the same time. Form 2 teams. Have each team stand on either side of the volleyball net. Have each team divide into pairs.

Each pair should have one towel and each person should grab 2 corners of the towel so that it is spread out between the pair.

A water balloon is placed on the towel of one of the pairs. The pair must then work together to lift their towel so that the balloon is propelled into the air, across the net to the other team. One of the pairs on the other team must then try to catch the balloon with their towel and return it the same way.

As in regular volleyball, a team scores a point when the balloon hits the ground on the other side of the net.

WATER BALLOON DODGEBALL

Prep Time:

20mins

Play Time:

20mins

Materials Needed:

- A lot fo water balloons.
- 5 buckets per side.
- Cones

Instructions:

Set up a large rectangle, and mark out a "No Throw Zone" about 2.5m from the centre line for each side. The game is played like American dodgeball, but the only difference is you have the buckets at each end. If a water balloon is caught without it busting, one team member can come back in.

WKND YOUTH CAMPS

SLIP N SLIDE

Prep Time:

20mins

Play Time:

Up to you!

Cost:

\$\$\$

Materials Needed:

- Tarps.
- Pegs.
- Dishwashing liquid.
- Access to a continuous water supply, such as a tap.
- Small inflatables to add some fun!

Instructions:

Make sure your tarps are pegged down so they do not slip around after each person. Also be aware of the surface you have underneath your slide for anything hard or sharp. Grass is the best!

This is a great activity to do at the end of the session.
