Please ensure all sections are completed and legible. Return via email headspace.bankstown@flourishaustralia.org.au or fax: 02 8367 5124

Once a referral form has been received, a Youth Access Team Clinician will make contact with you within 3 working days. Please note that receipt of the referral does not indicate acceptance to the headspace service. The suitability of the referral will be determined following review by our team. Please call to ensure your referral has been received and to discuss anything further. We are happy for you to make contact and discuss service options as sometimes our services are not always the best option for a young person or family. If you have any queries about your referral, please contact us on **02 9393 9669**.

These are some of the considerations to determine suitability for a referral:

## If a Young Person requires urgent assistance please note:

headspace Bankstown is NOT an acute mental health service.
