Welcome to Worship!

It is great you are here! We encourage you to join in with the experience of worship: sing along with us, pause and reflect, hear the Word of God and listen for the voice of God speaking to your soul. You are not here by accident, so ask God what does He want to say, show or give you today?

Today we continue our exploring of the National Vision for The Salvation Army and consider what it means to be a Salvationist and live life "alongside others."

Join with other believers for the afternoon walk, stopping for reflective reading of the Scriptures and prayers as we trace the story of Easter in our place and time.
