SELF DENIAL
APPEAL 2018

8th APRIL 2018

Welcome to Worship

It is great to welcome you to worship today as we start our Self Denial series. It is always a time of challenge and encouragement to watch the videos of how God is using The Salvation Army in countries with so much less than our own. It is especially encouraging when you realise that the gift we give through our Self Denial offering is helping to make these things happen. Last year the giving from Australia provided for the following development projects:

- Program for the Support of Schools in Haiti
- Young Women Skill Development in India
- Community Empowerment Program in India
- Child Protection Seminars at Children's Homes in Indonesia
- Integrated Schools and Communities Water, Sanitation and Hygiene Project in Kenya
- Sustainable WASH and Food Security program in Malawi
- Capacity Building Program for Communities to mitigate the effects of HIV/AIDS in Swaziland

As well as the following Mission support projects:

- Divisional Evangelism Training and Bible Camp in South Africa
- Corps building repairs to fix safety risks in Lecava, Latvia
- New building for the outpost in Jelgava, Latvia
- Solar power plant to power the Territorial Headquarters in New Delhi, India

Over the next few weeks we will gain insights into other ways we can make a difference in our world. A special offering will be taken on Sunday May 6th. Please pray and prepare for this opportunity.

GREETINGS FROM OUR NATIONAL COMMANDERS

The Salvation Army is an international movement called to live, love and fight alongside others in our local contexts, but also to help meet human need through the love of Jesus in the wider world.

Throughout the international Army, we celebrate a rich diversity of culture that makes our ministry a uniquely vibrant and passionate expression of the Gospel. History also shows that when we honour God's call to service and sacrifice we find much favour and rejoicing. As we unite as 'one' here in Australia to have greater impact for the Kingdom, we also rise up as 'one' Army throughout our world, to enable communities in the developing world achieve fullness of life.

In 2018, we pray for justice, equality, young people and families throughout our international movement. We also ask you to prayerfully consider giving sacrificially, knowing that your gift in this year's Self Denial Appeal will make our Army stronger and create positive change in communities as we rise up as one.

God bless you each one.

For Your Comfort - A parents room is on the left of the foyer and bathrooms are downstairs one level. A lift is available for those not good on stairs, and access is through the main worship hall.
