PENTECOST - COME HOLY SPIRIT

Want more out of life? Not as satisfied as you could be? Feeling that your life is missing something? Jesus said. *"I have come so that you might have life, and have it to the full."* Then he showed us how. Over these next few weeks we will identify a practice of Jesus that formed the foundation for his life and discover how to build our life on it as well. Just as Jesus lived fully, so can we!

Today on Pentecost we lay the foundation that was Jesus' source of power. His life guide, giver of hope, joy, and the one who raised not only Jesus from the dead, but who lives in you and will give life to your mortal body as well. Jesus lived a life dependant upon the Holy Spirit. It is no wonder then that in the final instructions to his followers he told them to wait. Wait for the Holy Spirit. Do not go anywhere without the Holy Spirit in your life.

On the day of Pentecost as the believers gathered the Holy Spirit came.

Today is Pentecost. Today we wait again. We Pray again.

We say again, "Come Holy Spirit, fill my life."

WORSHIP - BEHOLD

Behold the mystery Behold the sound
Behold the light Behold the breath
Behold the majesty Behold the King

We are excited to announce the upcoming worship night hosted by Factory 412 and supported by Brisbane City Temple Band. This night will be unlike anything you've ever experienced; symphonic, colourful and freeing. We are believing for God to move in power and for the wave of revival to hit our city through our worship. We pray our sound will break open graves and breathe life into dry bones. Come along and be apart of it!

For Your Comfort - A parents room is on the left of the foyer and bathrooms are downstairs one level. A lift is available for those not good on stairs with access through the main worship hall.

RIDE FOR HOMELESS

We ALL need a place to call HOME
08-16 September

The Ride for Homeless challenge is a charity fundraising bicycle ride over 9 days from Saturday September 8th to Sunday September 16th 2018. The team will cover more than 1,060 kilometres including many challenging mountains in between. Run in partnership with The Salvation Army Streetlevel, it will see a group of approximately 20 passionate bicycle riders challenge their minds and bodies to ride from The Salvation Army Streetlevel in Kings Cross Sydney arriving at The Salvation Army Streetlevel in Fortitude Valley Brisbane 9 days later. They will be roughing it staying in Salvation Army Halls up and down the coastline sleeping in "Street Swags" each night assisted by a small support crew. The whole team is passionate about making a difference to raise the plight of the homeless. Our aim is to raise greater awareness of homelessness and raise over \$100,000 to make a practical impact.
